The Tacoma Caucus of the North Pacific Surgical Association will hold the 109th meeting of NPSA at **Hotel Murano** in downtown Tacoma, WA on **November 11-12, 2022**. The Hotel Murano is an artful, luxury hotel, only a few blocks away from the fabulous **Museum of Glass** which features glass work from artists around the world.

We will convene with our top-notch scientific sessions and speakers on Friday and cap off the day with a reception and museum access at the Museum of Glass. Saturday continues with more abstract sessions and panel discussions. Saturday evening, at the President's Banquet, we will award the abstract presentation winners and hear from an intriguing guest speaker.

We hope you will come out and support our meeting. Your company reps will meet in person with surgeons from all over the Northwest and Canada to update them on your new technologies and therapies. One of the hallmarks of our association has been not only the quality of the scientific presentation but the collegiality of the members.

North Pacific Surgical Association is the oldest surgical association west of the Mississippi, founded in 1912. We have a membership of over 150 surgeons and more recently candidate resident members. Our caucuses are in Portland, Vancouver, BC, Victoria/Alberta BC, Seattle, Tacoma, and Spokane/Idaho. General Surgeons are our primary audience, but we also have a strong showing from trauma, oncology, pediatrics and endocrine surgeons.

Your support is important to ongoing education and allows you to once again have time to meet with surgeons from the North Pacific region. Please see the information exhibitors and feel free to be in touch with questions.

Thank you in advance for your support and look forward to seeing you in the Fall!

Sincerely,

Vance Sohn, MD
President, 2022
